My dearest Candice;A piece is gone, right from my heart, a hole I feel since we're now apart. Our time together has come and gone. I won't be the same, life must carry on.Happy moments together of me and you, good times and memories, will help me through. You once were here, how I loved you then, yet not compared when we meet again.There I will have my heart complete, when on the other side of heaven we meet.I love you and miss you so much Candice, until we meet again...and this time it will be forever.Love, OMO (MOM)
