Dear Nevros Family, I am so sorry for your loss, please accept my sincere condolences at this time. Something that I have found to be a great source of comfort are the thoughts expressed in the Bible at John 5:28,29 where we see that there is going to be a resurrection of those who have fallen asleep in death. Also at Revelation 21:4 we see that God is going to eliminate all of the causes for why we deal with sorrow, pain and even death itself. It is my sincere hope that these thoughts bring your family comfort at this time. Once again I am so sorry for your loss. Sarah Jones Cleveland

We at the Catskill Fly Fishing Center and Museum have been honored to have known and shared precious moments with such a treasure as Gus. With his smile came a sly chuckle that lit up everyone he met. The knowledge and beauty that comes with age was ever present in such a humble man; however, he was a great man. He will be truly missed, but never replaced. Gus, may you rest in eternal peace. Jim Krul Livingston Manor, NY
