I had the pleasure of being one of Vi's aides the past months. We shared some good times, and some laughs. During the course of the day, she would often surprise me, and make me laugh, with some of the things she said. I treasure my time spent with Vi, short as it was. I will always remember her! Don, you have my deepest sympathy for your loss. Your daily visits, and the way you took care of Vi, were obvious signs of the love and devotion between the two of you. I'm sorry I wasn't there on the day she left us. I will truly miss her.

It would be hard to find a person as kind, honest, considerate and caring as Vi. In the 53 years we were married I do not know of anyone she did not like. She was witty and easy to talk to. She would make friends with everyone she met. She never gave me a hard time with any bad decisions I would make, but she had a way to get me to change my mind most of the time. When it turned out bad she never said "I told you so". She enjoyed flowers and even cared for the flowers here at St. Leo's in the nineteen eighty's. She loved giving and going to parties. She also loved to travel. She enjoyed going to Sanibel Island and walking the beach to find shells, taking cruises to see other cultures and going to Puerto Vallarta with friends where she would meet and become friends with people from other countries. Most of all she liked spending time with Linda (her niece and best friend) giving her friendly and honest advice. Her loving Husband
