My heartfelt sympathies to the family. I am a school psychologist in Trumbull County and worked with your mom beginning in 1994. It was a total pleasure and honor to know her and work with her. I loved her dedication, wit, and overall "style" with children and their parents. I've lost track of the years now, but I was so happy to see her and reminisce with her one day at the Trumbull County Educational Service Center. I have missed her over the years and now pray for her peace and for God's comforting care for all of you. Very Sincerely, Debbie
