Dear Barb, your mom is beautiful. An angel now in heaven, to watch over you. You have been an amazing daughter. You gave her peace during her last years here on this earth. Although your life will be different now, keep her memories of happy times in your heart. Hold them close. She is near. Be focused, sense, you will feel her. I often, in moments, feel my mom. Yesterday, in the snowfall, right by her window at her old house, a bright red rose bloomed (ask Maria, she has the photo). This same rose bloomed seconds after she passed. Unbelievable but true. The signs will be there, and your mom will stay close. Resting now, in peace. God Bless you and yours. May the Lord continue to bless you with all that is good. Love, Evey, Doug, & Familia
