Dear Karen and family, Steve was a great guy and would give the shirt off his back to you if you needed it. We are thankful for his service to our country and that he made it home from Vietnam to become friends with him. I met him while working as Tax Auditor's for the State of Ohio until we retired. Steve will be missed by many people. Socially we did get together as people from work got married, birthdays, retirements, etc. At this one wedding he was nicknamed the Polka King and my wife Carol was the Polka Queen. No one else wanted to do the polka with him. Great memories. God bless him and his family he leaves behind. Steve is no longer in pain may he finally rest in peace. Sincerely, Bill, Carol, Cindy and his furry little buddy Papi Schartman, Parma, OH

Steve was one of the nicest person that I ever worked with. He use to crack my back for me which was a huge relief for me. I have not one negative remark about Steve. Rest In Peace Steve. Kathy Bowers from the ODT
