Dear Darryl, losing your mother very tough, regardless of age. My memory of your mother, your stories of her in Toastmaster meetings, her strong constitution and sense of can-do that she clearly embodied throughout her life; very clear you cared about her a great deal, and were very proud of her. I'm sorry for your loss; appreciate the fact that she lived a very good and very full life. And, will always be with you and your family in spirit. Regards, Dan Toussant
