I am so sorry to hear of Leon's passing - too late to be at the funeral. Just found out today. When he and Brita attended our parish, Ss. Peter and Paul in Lorain, my mom loved talking to them. I continued to be in touch with him here and there, went to Brita's funeral. She is buried close to my aunt. Will look up Leon the next time I go there with my summer flowers for my aunt. Memory Eternal.

I am so sorry to find out about the loss of my dear friend Leon he and Breta were friends of my parents for a long time way before they met Brita and my mom were friends and then Leon met Brita and they and my parents all became friends. I grew up loving both of them. They were there for me when i lost my parents. Leon continued to be a father figure to me even after we lost Brita. He always helped and loved me unconditionally. I loved him the same. I will always cherish the memories that we shared. I will miss you Leon. It helps to know that you are now with Brita, and my parents. Good bye my dear friend Leon ill see you in heaven one day. May God Bless your family and all your friends
