Judy Lyall Foley Gawronski lit a candle in honor of John.

Dear Linda, John and Patti and families. This is Judy Lyall Foley-Gawronski. Aunt Bea and Uncle Arts second daughter. I just saw your dad's obituary in this morning's paper. I see he was 98 wow. I wanted to tell you what fond memories of your dad and mom I have and extend our families sympathy. My sister Gin and her husband Jim also passed away several years ago. They lived in Dayton and had 5 children. Bob and his wife Gail live in Gambier, John in Powell near Columbus and Jim and I live in Cleveland. He just moved back from Michigan. But my purpose in writing is to tell you that I remember your dad as a gentleman. Always kind and appeared to be gentle. My Mother always loved your dad and I think she named my brother John after him. I know she had a great picture of him in his navy uniform. I called him a few years ago to ask him some questions about Grampa Van Dame but he told me he didn't know too much about him. I think about Doris and Jeannie and wonder if they are still alive. If times were different Bob and I would come to say goodbye. So instead we will send a virtual hug and tell him thanks for being a part of our journey. May you all have wonderful memories to share of the gifts he gave each of you. I know we all have a love of flowers, music, and kindness—the gifts that Mom and Dad gave us. I wish you the same. If you ever want to chat I am in Rocky River at 440-333-7011. Or 440-364-1219. Love and prayers to each of you. Your cousin Judy

RIP Uncle Johnny, our family patriarch and sweetest gentleman I've ever known. I'm sure Aunt Elsie, Grandma Gladys, Grandpa Johnny, and my mom are all waiting for you with open arms to enjoy eternal peace and happiness. Sorry I can't be with my cousins right now but I'm sure your life, legacy, and many, many beautiful memories will bring comfort during this difficult time. Love you all. Debbie
