I will miss you soooo much, Tante Elfie...of all the adopted "Tantes", you were my FAVORITE!!!! So many memories since childhood-- too numerous to mention on this page--but your infectious laugh, your subtle humor, and easy going ways are forever embedded in memory.

Oh Schmutzie! We will all miss you so much! You touched so many lives during your time here on earth; making the lives of others better. Up until the end, you were more concerned about Norman and me, than about yourself. That was just your way. I will think of you every day, especially when outside enjoying nature, when the leaves change, when I hear someone laugh. I hope you are laughing and dancing with Dad. Love, Grid
