Geno was my favorite Cuz, or at least that's what he used to call me. I did not know he had passed. I found out a few years ago and wasn't aware my cousins had passed either. I am not one to read the obituaries. I was devastated no one called me. Nor any one in the family. I really loved him so much. I looked up his obituary to give my granddaughter information on him and the stories he told me when he was in the Navy. He was aboard the Kennedy ship! My apologies to Suzy and Cindy for not making his funeral services. I was not aware. You can call me 440-821-1596. I won't answer, i don't answer numbers i don't recognize. but I will get back to you. Lisa Barney- Buydos
