My best Memory?, every time I seen Mick. There was always happiness with Mick, helpful, would go out of his way to help anyone. For the more than 30 years that I knew Mick if he seen that I wasn't in a good place (and very recently) and in his condition he would cheer me up and make me feel better about myself, he will be missed more than I can put in words.Mick!, I'll forever 🧡❤️🧡 you.
