I knew Renee at the assisted living facility. She was very good friends with my neighbor, Abbie Lou. Visiting with Renee was always the highlight of my day! She talked a lot about her grandchildren and looked forward to family visits. I just now learned of her passing. My sincere condolences to the Hadbavny family. Much I♥VE, Anita Eberl

Mrs. Hadbavny (I know at 61 years old I could probably call her Renee now :), but she was always Mrs Hadbavny growing up) was always the kind voice and made sure there was a warm and friendly house to visit. She was also willing to allow noisy high school boys to take over her basement and "borrow" a few beverages from the upstairs fridge.
