Just found out about Ryan's passing and I am sorry to hear about it. Ryan used to work for me in 2007-2008 and he was always pleasant, friendly and had an upbeat attitude. He also did a great job, on one occasion he laid pavers for a parking area in a back yard and did an excellent job with no prior experience. He certainly learned new things quickly. The last time I heard from Ryan he was getting married and was expecting his first child, he was so very excited and happy about being a husband and father. May God bless Ryan, his wife, children and his family in all their endeavors.
