Tyler VanSickle

JAN 3, 2000 - MAR 23, 2021

T Tyler Adam VanSickle, age 21, passed away unexpectedly on March 23, 2021. Beloved first son of Kurt and Rachelle VanSickle. Cherished brother of Hope and Nolan VanSickle. Loving grandson of Georgan Deka (William, deceased) and Mildred VanSickle (James, deceased). Loving cousin, nephew, Godfather, and close friend of many. Expectant father to Mason Tyler William with girlfriend Ashlee Milkovich.

Tyler loved to play pool and poker, which he learned from his Papa. He was his Dad's cornhole buddy and they were always on the same team. He loved music and had the quirkiest laugh. He was always smiling, quick to hug, had the most generous personality, and had a heart of gold. He was forever willing to help others and always had something nice to say. Our shooting star was taken too soon from this world.

Tyler will truly be missed.

The day you were born was one of the happiest days of my life. You gave me purpose. You taught me love, compassion and patience. You had changed my life forever. It was a love like no other. Until someone is a grandparent, they will never understand. Since God took you, I can barely function, I can barely breathe...my heartache is so great. We had so many things yet to do. There are so many conversations we needed to have. There are so many hugs I needed to give you. There were so many good times with family that we needed to experience together. I know that you're with your best friend now, your Papa. For that, I'm happy for you because I know you missed him terribly. But again, you have changed my life.....And I don't know how to come back from this one. Thank you for everything you have taught me. Thank you for the love, kind words and caring actions you were so quick to share. Thank you for always encouraging me to do better. Thank you for all the smiles that lit up the whole room. Thank you for just being you. My pain is palpable....waves of loss and grief washing over my heart and soul. I will love you forever until my dying day. Soar high my golden angel...until we meet again.
