Taylor you were the one I could go to in school. You were the funny yet goofy girl in class. You spoke your mind even if it hurt others. You always had my back in elementary and middle school. You were the sweetest girl and one of the best friends I've ever had. RIP beautiful

My condolences to the family my thoughts are prayers are with each and everyone of you Taylor was a beautiful soul inside and out we got to know her through my daughter celina Rodriguez. She was a great friend to my daughter we had many sleepovers at my house Taylor was always respectful kind and funny always a joy to have around. She was the type of friend that would always be there for you and they have always remain friends. I am so proud of her graduating and becoming the strong independent woman she was. We also kept in touch with her Ray was her mechanic and she would bring the car to him every time it needed work or something was wrong. Which was quite often she would always say don't ask just fix it please and so he did LOL. My only wish is I wish he could have fixed this one:-(Taylor we are so sorry this happened to you you will never be forgotten in the Rodriguez family we love you and miss you

There are no words to ease your family and friends pain during this time of grief I only hope that they can find comfort in all the cherished moments they had with you. I still think of you as that toddler running through the yard with your shoes on the wrong feet eating bacon bits out of the jar but you grew into a beautiful young caring vibrant woman who made her mother proud! I'm so sorry you were taken away too soon! May you rest in peace and be a guardian angel for your family. Love Chantal & Keegan

Taylor, I taught you in 6th and 7th grade and always described you as a spitfire! You were always independent and feisty. I've saved artwork from those years that you made for me. Not to mention the photos I have when you would take my phone for selfies. It warms my heart to see all the kind things people have to say about you and to see the woman you had grown into (but I'll always remember you at 13 years old). Rest in peace, sweet lady. Keeping you and your family in my thoughts.

My sweet beautiful niece. I'm so sorry your life was cut short before we could see all that you were going to achieve. We love you, we miss you, you always be with us.
