Loretta - Bob was a true blessing to see everyday. He always had a smile on his face and laughed when I yelled at him for not using his towel. Both of you will always be a part of me. Bob's Girlfriend Peggy (we all had nicknames to protect the innocent)

I have great admiration for Bob. Despite his health issues, As I sat next to Bob at our carving meetings he always had a smile and was not afraid to share himself whether it be carving or life in general. Thank you Lauretta for bringing him to our carving meetings. I will miss him greatly!Patricia Perchinske
