There are so many memories of Gary over the 40 years I have known him. I first met Gary & Cindy as the youth directors at Puritas Lutheran Church and from that point on my friendship with the Lucas family was sealed. I will forever think of Gary when I walk into Progressive Field and First Energy Stadium, as he certainly loved our Cleveland sports teams! Gary was an incredibly reliable and steadfast guy. Always ready to put a smile on your face with a corny joke or telling a story. He and my son were extra close and I always appreciated his being a wonderful role model for Kyle. Gary's work ethic is second to none and his dedication to Cindy, Hilary and Taylor was admirable, as his family was always number one. I will miss Gary in so many ways but I also know he will live on through his family and especially his girls. Love you all, my prayers are with you through this difficult time.

Thank you, Gary, for being a second father to me! Growing up as best friends with Hil and Tay and living 8 houses away you couldn't really get rid of me. I have so many wonderful memories over the many years, and I felt loved as another daughter. He encouraged us with his goofiness to be just as goofy and enjoy every second of life even to his own detriment when we got a bit carried away and he'd yell at us to stop kicking off the swimming pool walls or making a mess he'd have to clean up. He always made sure I was safe and almost every night after playing or spending time with Hil and Tay he'd walk down to the end of the driveway to watch me walk home and make sure I got home ok. Sometimes he'd make cricket or frog noises like it was the animals, but as a kid I always knew it was him and will think of him whenever I hear those noises. He will be forever missed and loved. RIP Gary and Go Indians!
