My parents were friends of Aunt Beverly for over 55 years. I have a small Christmas house decoration from Avon that she gave me over 25 years ago. I still put this out every Christmas and think of her every time I look at it. I've always cherished this gift but will cherish it even more now. She was always such a kind and loving lady who will be truly missed.

My family lived next door to the Zelenka family. Hard to believe that all of the Zelenka children have passed away. Beverly was such a sweet person. May you keep the memories of her close to your heart.
