## **Gus Page**

JUL 3, 1928 - APR 4, 2025

**G**us Page, age 96, passed away April 4, 2025. He was born in Agios Georgios, Greece on July 3, 1928. Beloved husband of the late Soultana “Sonia” (nee Kapetanios). Loving father of Maria (Mark Brajdich), Evelyn (Dr Spyridon Kantas) and Steven Page (Cynthia Cruz). Dear grandfather of Athena, Elias, Soultana, Konstantinos and Konstantine. Brother of Eleni (George, deceased) Kotitsas.

Gus served in the Greek army for 4 years as a paratrooper. He went on to receive a History Degree in Greece and became a principal in Grevena, Greece. At the age of 36, he came to the United States to Slippery Rock, Pennsylvania and began his successful entrepreneurial career as a chef and restaurant owner. He owned several restaurants, hotels, and investment properties. In 1966, he met the love of his life in his restaurant in Youngstown, OH. It was love at first sight and on their first introduction Kosta told her he was going to marry her. They were married 6 weeks later and shared 57 wonderful years together.

Gus was a very strict Greek parent, and his favorite word for his two daughters was No. He wanted his family to experience and learn all about his Greek culture by sending his family to Greece every summer.

He was a devout Greek Orthodox Christian, and deeply devoted to his family. He cherished his five beautiful grandchildren, Athena, Elias, Soultana, Konstantinos and Konstantine. The love for his grandchildren was insurmountable, and he embraced them individually with love, advice, and guidance, helping them to become the wonderful young adults they are today.

His kindness and generosity touched many people’s hearts and lives. He has left a legacy at his birthplace by building a Greek Orthodox Church and paving the dirt roads in the village. He donated the family estate to create a national historical museum, representing Greek village life in the early days.

**Demitra Stratos** posted:

I have many memories of Mr Page but one always stands out. After graduation at YSU, I took my mom, brother and relations to lunch at his restaurant. I begged him not to let my cousin pay (because he would have) and to allow me to treat them since they came from Virginia for my graduation. When I went to pay, with a smile, he said "It's been paid Demitra." To this this day, I don't know who paid. It could have been my cousin - he was very persuasive or Mr Page. I will always remember him with love (just as I remember Mrs Page). May his memory be eternal. Love, Demitra Stratos.
