Michael Klobusnik

OCT 13, 1974 - MAY 20, 2025

MICHAEL KLOBUSNIK, age 50. Devoted husband of Cindy (nee Crowley). Loving father of Brenna Dotson (Zach), Michael (Sara Jung), and Meredith Klobusnik. Dear son of Victor and Mickey Klobusnik. Beloved brother of Chris and Becky Klobusnik. Supportive son-in-law to Larry and Diana Crowley. Cherished brother-in-law to Tammy O'Neill (Tim) and Kim Patton. Caring uncle and great uncle to many.

Mike, also known as "Buzz," passed peacefully after a strong fight with cancer. He retired from the USPS after a dedicated 26 years, where there wasn't an individual that didn't know and love "Mailman Mike."

There was nothing Mike loved more than spending time with his family and close friends. He often hosted Sunday family dinners and cheered on his favorite Cleveland sports teams and The Ohio State Buckeyes. He loved summer months when he could be outside in his pool and spend time with his family playing cornhole and grilling. Mike enjoyed going to the horse track and creating special memories with his family week after week.

Mike was one of the best carriers you'll ever find out there. When hurricane Irma hit, he started baking me that. Then the very next year hurricane michael hit and I started calling him hurricane Mike. I remember during a route inspection with him during an eclipse and there was a customer that shared their solar glasses with us. That was very enjoyable to both of us. He was a great guy and I have many fond memories of him. My condolences to his family. Love you hurricane Mike!! Erma Brewer

Mike and I were ALWAYS together and usually getting in trouble ! From the DC trip, swimming at lakewood Park, playing video games, watching scary movies and listening to inappropriate music. We were best buds. I've often said to my wife and daughter that those times with Mike were the best I've had. We laughed so hard until we wanted to puke !! .EVERY DAY!!! This makes me so sad I can't even say. Mr and Mrs K, Becky, Cindy and all of Mike's family. I send much love to you in this time. I wish I could do more.

My Uncle Michael...there are so many words but I cannot find them at the same time. I love you more than you'll ever know. The time spent with you are some of my favorite memories. I will miss you forever! You're finally pain free, with Dozer and Frazier, and the rest of our family and friends! Lex Luthor will make sure everything is okay. I love you ☐

Dear Family of Mike, We are so very saddened to hear about our beloved Mike, our mailman. His route was in the city of Independence. His route family knew him as someone special, always willing to go out of his way to help those he cared about and became a family member to all. I don't believe there is a replacement for Mike. What I do know is this world would be a better place with more beloved "Mikes" in it! Mike's special friends on Evergreen Buskirk, Lafayette, Daisy, Astor, Second Chestnut, Sunset, and more,

Mike, God saw you getting tired, when a cure was not to be. So he wrapped His arms around you and whispered, " COME TO ME". You didn't deserve what you went through, so He gave you rest. God's garden must be so BEAUTIFUL, He only takes the BEST. And when I saw you sleeping, so peaceful and free from pain I could not wish you back to suffer that pain again. (Frances & Kathleen Coelho) .Mike this poem was written in your behalf, ❤️ LOVE, uncle Tony. REST IN PEACE.
