Dolly was the best mom anyone could ask for. She was such an amazing cook. She made lasagna better than Italians and I am very very good cook I've been in the restaurant business my whole life. Dolly you are such a great influence on me anything good in me is because of you, and I love you so much and I'm so sorry I didn't know you passed I have just found out. I love you and I pray I know you're in heaven

Forgive me I literally just found out 5 minutes ago that Dolly passed. I went to call her tonight to tell her some personal things and things I appreciate it about her and then I found out she had passed. You are the best stepmother in the world and you were the best cook oh my gosh I was literally calling to ask you about their pork chop breading. She was a mom and a great wife and I am so sorry she passed and I love her and she was amazing in Jesus please bless her.
