Dear Kristine, Tony, Jim, Sal and families: My heart felt condolences. Like his brothers and father, Uncle Tony was a jack of all trades and mastered whatever he pursued. I hope that your memories bring you comfort during this difficult time.

My sincere condolences to Kristine, Tony, Jim and Sal and their families. Uncle Tony had a passion for dogs and helping others. He volunteered some of his time at the same animal shelter I did using his handyman skills to improve areas around the shelter. He was also the man I would tell people to go see for their shoe repairs, and when they did, only positive feedback could be said about Uncle Tony. May your loving memories help you through this difficult time. Debbie Oriti
