“ Dad, so very thankful we finally found eachother, wish it was sooner then it was, but just the same thanks to Aisha and her promise to your mom she found us; so very thankfu for that. I will miss you dad, I have always wanted you in my life, I will cherish one of the last things you told me, "I will meet you in heaven"...I'll keep you to that promise...so glad death is only a sleep and next thing you will see is Jesus coming the second time. Glad God will wipe away all tears because there are plenty!

Love you dad...
