“ Wayne Senkovic sent a virtual gift in memory of Frank S Borrelli III

“ Frank was my little brother. One of my funniest memories of Frank was when I visited Mom on the way to a swimming pool. I had a towel with dry underpants rolled inside, Frank might have been 3 or 4, he would grab my towel and unroll it and my underwear flew out. Frank was a lot of fun when we had a paper route together. We would make funny fart noises in the stairwells of apartment buildings because it would echo.

Frank helped me with a lot of jobs and was fun to work with. I will never forget the time we were working on a sign box that had electrical issues. He was holding the metal part and when I touched him I got shocked... He was not getting shocked. I also remember a time I was hanging a sign 30 feet in the air on a scissor jack that was wobbly while Frank held the base so I would not fall.

Frank was more than just my brother, he was my best friend, he was a lot of help in hard times - we talked some nights without sleep. I will truly miss him.

“ Frank was my best friend as a young adult! We were like two peas and a pod! Talk about living young and free. He would know how to light up a room with his jokes when he walked in. In life sometimes it feels like eternity to be happy, but he found that in Denise! Two people that complimented each other so well! Frank you left us too soon but you will never be missed and will always live in all of us.

“ My brother was the best we didnt have it easy growing up but we made it fun there are so many memories I cant post them all but we have lived in many states with our parents Frank and Joyce they were the best to .I remember that my brother is the one that made me strong and thought me to fight for myself because he said he couldn't be there every minute of the day Frank and our sister Tami would go down to the bridge by the canal in florida and fish until it got dark we would ride in dads racecar on the trailer when we went to the races with dad we thought that was so cool.we all loved going to the park on snow rd and have cookouts with mom play horseshoes and dice,or just watch movies with mom.we had many late night fishing trips to Marco Island with Frank that was alot of fun.Frank loved his chinese food ,his scratch offs ,making bond fires,detailing his and his wife Denise cars but most of all he loved being around family.Thank you Denise for taking care of him and just plain loving him you was the best thing that could have happend to my brother.We love and appreciate you.Its still hard to believe your gone you were way to young to be taken.We are all gonna miss you .I love you so much and a piece of my heart will forever be with you .I hope that you are at peace and you find Mom and Dad .Rest in Heaven
