“ Ron and Lori-
This is one of those times when there are just no words. Some of our best memories are of spending time with both of you, and Michael. Many laughs around that kitchen table on Southpark Blvd. After our dad passed away, we reconnected with Michael and we got to spend time with Aunt Trudy, too. We will always treasure the times we all spent together. You are in our thoughts and prayers, along with the rest of your families. May you all find the strength and peace to continue on this journey-know that we love you.

“ I have gotten to know Mike over the last two years. We shared many common interests along with very different backgrounds.
I already miss you Mike and when I stumble on to something of interest I want to forward it or you call you to share but you left us way too soon.

Cora and family I am so sorry for you and the void he has left. He is and always will be a good man.

I was blessed to be able to know him.

He opened my eyes to many interesting things not the least of which were the Downtown CLE tours and the live music we enjoyed!

Sincerely,

Mike Noble
