“ I got used to having you around. Holiday time...it was always Donny, DJ and you or Big. As the years went by...the friends came and went but I could always count on seeing or speaking to you. Even when Donny transitioned it was you who reminded my Family of Donny. All of the Guys hold a piece of my heart but you were the one who has been there since the early days of us moving to Parma. I remember the pain in Donny's voice when you were injured. I remember him crying and telling me his Brother was hurt. I remember you coming to see him when he was injured in the car accident. Hell I remember when both of you had to do community service for jay walking. My heart is broken because I feel like I lost two sons in a 2 year time frame. Both passing in their birthday month. I never in a million years thought I would be losing both of you. I won't be able to make it to your service but you know my heart and that's all that mattered. I will keep our fb msg's forever to rind me of just how much you mean to us.. Love Mama Gwapp
